## HOW TO BUY YOUR MACHINE

### Choose your Coffee Machine

### Pay for your Coffee Machine

#### Then we will:

- Deliver it
- Install it
- Train you
- Support you and your machine for 3 years

#### Advantages

- Some businesses prefer to own their office equipment and depreciate it over several years. If you prefer not to deal with lease agreements and contracts and if you can afford to buy outright, it's simple, fast and you Get Exactly What You Want! We can help you to explore both options and then you can make an informed decision.
- You own the machine.
- No monthly cost.
- Treated as an asset.

#### Disadvantages

- Larger upfront cost.

## HOW TO LEASE YOUR MACHINE

### Choose your Coffee Machine

### Lender organises the Lease

Signature of Hirer | Certificate of Acceptance | DD Instructions

#### Then we will:

- Deliver it
- Install it
- Train you

# OUR COFFEE

QUALITY COFFEES, ETHICALLY SOURCED.

We've select our roaster very carefully in order to ensure we provide you with the very best, ethically sourced coffees. Roasted in traditional coffee drum roasters along side hi-tech monitoring systems our roasters produce consistent batches that never lack aroma or taste. They're are then bagged and sealed to protect their fresh and distinct flavours with every bag marked with the roast date and batch code.

## GOODFELLA

An authentic strong slightly spicy Italian roast coffee. Mainly South American Arabica coffee beans with a dash of Robusta coffee beans to add that bit of kick to keep you going. Perfect for making espressos, cappuccinos, and lattes.

## FRONT & CENTRAL

Bright and fruity pairing Central and South American single-origins, plus some of our extremely popular Ethiopian Mocha Djimmah beans. The dominant American combination gives good body and crema, while providing sweetness and acidity. This is a great choice for those who like their espresso to have some fruity brightness.

## CREMA THE CROP

Perfectly Suited for espressos with an excellent and visibly rich crema. A medium dark roasted coffee blended especially for its traditional Italian espresso deep roast flavour. It works well in milk-based drinks like cappuccinos and lattes.

## KICKER

Rustic tones from a classic Ethiopian Mocha. Djimmah Arabica beans married with South American refinement means big body and earthy, nutty tones. The Robusta means a noticeable caffeine kick!

## DOUBLE A

Deep and powerful blend, containing beans from Asia and Africa, combined with a Monsoon Malabar bean. The blend has bags of crema that leaves you with an almost never-ending finish of chocolate, toffee and smokey spice. In milk it can make a fantastic latte or cappuccino, but with a distinct smokey edge.

## CHOCALUX

A magical luxury chocolate blend. Being able to create your ultimate chocolate drink is a treat that just might pick you up even on the most challenging of days. Using the finest coco imported from sustainable international growers, this 25% cocoa mix is so lovingly prepared that you can even see the sugar crystals.

# OUR 1-2-3 SERVICE GUARANTEE

## CALL:

We resolve 96% of issues with a simple call – this is a level we work to maintain.

## REPAIR:

Anything we can't resolve by phone, we'll come and see you the same or next day.

## REPLACE:

If we can't fix a machine within 4 hours, we'll replace it the same day.

### How it works

We only ask that you buy Coffee Desk ingredients. This is so that we can guarantee the quality of the ingredients used and can calibrate your machine to make the optimal drink.

Some coffees can often contain hard beans and even small stones which can damage and break the grinding mechanisms in our bean-to-cup machines.

#### What is covered

The entire machine is warranted providing its fair and reasonable use. This includes parts, labour and a replacement machine during the warranty period.

#### What is not covered

Physical damage, misuses or unreasonable lack of care.
